If the project team is composed of two partners, the PARTNER must ensure that its obligations under this Agreement also apply to the second Project partners. In addition, the PARTNER must ensure that the Project partners have internal arrangements regarding their operation and co-ordination to ensure that the Project is implemented properly. These internal arrangements must be set out in a written ‘consortium agreement’ between the partners, which may cover:

- legal representation
- internal organisation of the project team
- distribution of financial support
- intellectual property rights

### 4 Performance

4.1 PARTNER shall perform its work under this Contract in accordance with the requirements of the Description of Work.

4.2 PARTNER shall endeavour to ensure that all Work is performed to the highest professional standards and shall be responsible for the quality and timeliness of its research under this Contract.

4.3 PARTNER will perform its research according to the following standards:

   (i) PARTNER and ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES must be available during normal working hours to discuss the work in progress and respond to technical and/or administrative requests

   (ii) The Personnel offered for the performance of the work must have the necessary competence to perform the work and must be announced in advance to ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES

### 5 Forwarding of Funds

ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES as a grantee of an EU funding is forwarding parts of the funding to PARTNER. The objective of the funding is to enable research for the benefit of the general public.

The forwarded sum and the payment terms, shall be as specified by the payment plan in Annex 2 to this CONTRACT.

Notwithstanding the commitments in the payment plan, Payments will only be done by ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES subsequent to receiving the corresponding funding from the European Commission.

As with all Horizon Europe projects, the final 15% payment will only be paid after the completion and approval of all Work of the Project by the European Commission. PARTNER shall strictly abide by all Horizon Europe provisions concerning reporting, cost calculations and
6 Scientific Standards
6.1 PARTNER shall perform the research as defined in the Description of Work.
6.2 After reception of part or all of the research as defined in the Description of Work, ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES may the PARTNER to revise the research to reach the agreed standards as per Description of Work. Failure to supply the work or service to a satisfactory standard, as per clause 4.2, by the final date for that task as set out in the Description of Work shall oblige ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES to withhold corresponding payment and/or claim back the respective part of the advance payment. In the case where part or all of the research has not been supplied to the standard required and an opportunity to revise has not been successful, PARTNER undertakes to return any payment or prepayment received for this research within 30 days.

All reports must be drawn up using the forms and templates provided by the ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES. All reports and deliverables, when appropriate, required by this Contract shall be in English.

7 Intellectual property Rights
PARTNER ensures full compliance with all IPR provisions under the Horizon Europe Model Grant Agreement.

PARTNER shall take all reasonable precautions to avoid the inclusion of third party IPR in the Results of the Work, and to avoid making the use of the Foreground subject to third party IPR, and to avoid giving advice the following of which would result in the infringement of third party IPR.

PARTNER ensures that the supply and use of their Personnel and performance of research in accordance with this Contract does not and will not wilfully infringe any IPR belonging to ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES, and/or any of the 6GBRICKS beneficiaries or any third party.

As Horizon Europe Model Grant Agreement shall apply, IPR to the Results of the Work generated by the PARTNER shall be owned by the PARTNER as specified in article 16 of Horizon Europe Model Grant Agreement. In the event of multiple partners, the allocation and terms of exercise of any joint ownership of results arising between the partners will be agreed in writing between themselves to ensure compliance with the Grant Agreement.

7.1 Dissemination of Results
PARTNER has the unlimited right to publish the Results of the Work

7.2 Use of Results

3 unit-mga_he_en.pdf (europa.eu)
ISI/ATH and the 6GBRICKS consortium, retain rights to the use of the Results of the Work for use in provisioning and providing test-bed facilities and promotional material.

8 Confidentiality

All information in whatever form or mode of communication, which is disclosed by a Party (the “Disclosing Party”) to any other Party (the “Recipient”) in connection with the Project during its implementation and which has been explicitly marked as “confidential” at the time of disclosure, or when disclosed orally has been identified as confidential at the time of disclosure and has been confirmed and designated in writing within 15 calendar days from oral disclosure at the latest as confidential information by the Disclosing Party, is “Confidential Information”

8.1 The Recipients hereby undertake in addition and without prejudice to any provisions of the Grant Agreement, for a period of 4 years after the end of the Project:

- Not to use Confidential Information otherwise than for the purpose for which it was disclosed;
- not to disclose Confidential Information without the prior written consent by the Disclosing Party;
- to ensure that internal distribution of Confidential Information by a Recipient shall take place on a strict need-to-know basis; and to return to the Disclosing Party, or destroy, on request all Confidential Information that has been disclosed to the Recipients including all copies thereof and to delete all information stored in a machine-readable form to the extent practically possible.

The Recipients may keep a copy to the extent it is required to keep, archive or store such Confidential Information because of compliance with applicable laws and regulations or for the proof of on-going obligations provided that the Recipient comply with the confidentiality obligations herein contained with respect to such copy for as long as the copy is retained.

8.2 The Recipients shall be responsible for the fulfilment of the above obligations on the part of their employees or third parties involved in the Project and shall ensure that they remain so obliged, as far as legally possible, during and after the end of the Project and/or after the termination of the contractual relationship with the employee or third party.

8.3 The above shall not apply for disclosure or use of Confidential Information, if and in so far as the Recipient can show that:

- the Confidential Information has become or becomes publicly available by means other than a breach of the Recipient’s confidentiality obligations;
- the Confidential Information is communicated to the Recipient without any obligation of confidentiality by a third party who is to the best knowledge of the Recipient in lawful possession thereof and under no obligation of confidentiality to the Disclosing Party;
- the Disclosing Party subsequently informs the Recipient that the Confidential Information is no longer confidential;
- the disclosure or communication of the Confidential Information is foreseen by provisions of the Grant Agreement;
o the Confidential Information, at any time, was developed by the Recipient completely independently of any such disclosure by the Disclosing Party;
o the Confidential Information was already known to the Recipient prior to disclosure, or
the Recipient is required to disclose the Confidential Information in order to comply with applicable laws or regulations or with a court or administrative order, subject to the provision Section 10.7 hereunder.

8.4 The Recipient shall apply the same degree of care with regard to the Confidential Information disclosed within the scope of the Project as with its own confidential and/or proprietary information, but in no case less than reasonable care.

8.5 Each Party shall promptly advise the other Party in writing of any unauthorised disclosure, misappropriation or misuse of Confidential Information after it becomes aware of such unauthorised disclosure, misappropriation or misuse.

8.6 If any Party becomes aware that it will be required, or is likely to be required, to disclose Confidential Information in order to comply with applicable laws or regulations or with a court or administrative order, it shall, to the extent it is lawfully able to do so, prior to any such disclosure to notify the Disclosing Party, and comply with the Disclosing Party’s reasonable instructions to protect the confidentiality of the information.

9 Liabilities

9.1 PARTNER shall use all reasonable endeavours to ensure the accuracy of any information it supplies under this Contract and shall be responsible only for any direct loss or damage arising out of any inaccuracies or omissions, which are the result of its wilful intent.

9.2 PARTNER shall promptly notify ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES of any claim arising relevant to 9.1. ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES cannot be held liable for any damage caused to the beneficiaries or to third parties as a consequence of implementing the Agreement, including for gross negligence. ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES cannot be held liable for any damage caused by any of the beneficiaries or third parties involved in this action, as a consequence of implementing the Agreement.

9.3 PARTNER shall promptly notify ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES of any claim arising from their performance of the work where a third party alleges harm has been caused by the actions of PARTNER in performing this contract. ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES cannot be held liable for any damage caused to the beneficiaries or to third parties as a consequence of implementing the Agreement, including for gross negligence. ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES cannot be held liable for any damage caused by any of the beneficiaries or third parties involved in this action, as a consequence of implementing the Agreement.

9.4 PARTNER’s overall liability under this contract is limited to the value of PARTNER’s share of this contract, except for damages caused by wilful intent.

9.5 Upon request, PARTNER shall inform ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES on the essential terms and conditions of its employer’s liability insurance.

9.6 Should in the execution of the CONTRACT a need arises to provide the European Commission or the 6GBRICKS beneficiaries with information which is subject to export control laws and
regulations that originates from PARTNER, PARTNER shall notify ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES to secure that such information is only provided in accordance with the provisions of such export control laws and regulations.

10 Term and Terminations

10.1 This Contract starts on <sub-project start date> and it shall terminate no later than the end date of the project as foreseen in Annex 1. In the case Grant Agreement 101096954 – 6GBRICKS is terminated earlier than planned, this Contract will also be terminated and work items and payments will be finalised in line with the European Commission decision to terminate the Grant Agreement 101096954 for the 6GBRICKS project.

10.2 If either party breaches any conditions of this Contract and fails to remedy such breach within thirty days after receipt of a written notice from the other party, the party giving notice may, at its option and in addition to any other remedies that it may have, terminate this Contract by sending notice of termination in writing to the other party and such termination shall be effective as the date of the receipt of such notice, and any benefits of the Contract in respect of the other party shall cease.

10.3 notwithstanding termination or cessation of this Contract, clauses 7, 8 and 9 shall remain in force.

11 Force Majeure

If any party is rendered unable by circumstances of Force Majeure to fulfil any of its obligations under this CONTRACT, such party, by giving notice and reasonably full particulars to the other party promptly after the occurrence of such Force Majeure, shall be excused from the performance of such obligations during the continuance of such inability so caused, so far as and to the extent that the obligations are affected by such Force Majeure, that such party shall be relieved of the liability for failure to fulfil the same during such period provided that the cause of such inability shall be remedied so far as is possible with reasonable despatch.

For the purpose of this Contract, the term “Force Majeure” means an occurrence beyond the control of the party affected and which, by acting in a reasonable and prudent manner, said party is unable to prevent such as acts of God, state of war, riot, epidemics, atmospheric disturbance, lightning, storm, hurricane, earthquake, landslide, strikes and lock-outs.

12 Amendments, Variation

Amendments or variations of this Contract or any of the rights or obligations of ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES or PARTNER herein shall only be effective when expressed in writing and signed by the duly authorised representatives of both Parties.

13 Waiver

No delay, neglect or forbearance in enforcing against any term or condition of this Contract shall be deemed to be a waiver or in any way prejudice any rights under this Contract unless in writing and signed by the Parties.

14 Enforceability
The invalidity or unenforceability for any reason of any provision of this Contract shall not prejudice the validity or enforceability of the remainder. The Parties shall seek to agree an amendment of this Contract such that the amended contract has as near as possible the same effect as intended in the original Contract.

15 Notice

Any notice to be given under this Contract may be first sent as a PDF file attached to an eMail and must be acknowledged by the receiving party on receipt. If not acknowledged by eMail, then it shall be forwarded by letter post to the addressee at its business address as last notified in writing to the other party.

The PARTNER must immediately inform ATHINA RESEARCH & INNOVATION INFORMATION TECHNOLOGIES of any of the following:
- change of contact person(s) and/or contact details of the Partner;
- events which are likely to affect significantly or delay the implementation of the Project or delivering the Project’s goals or the Commission's financial interests, in particular changes in its legal, financial, technical, organisational or ownership situation;
- circumstances affecting the decision to award the financial support or non-compliance with requirements under this Agreement.

ANNEXES:

Annex 1 to this Contract: The agreed Description of Work (DoW) and Individual Mentoring Plan (IMP)

The DoW is based on the Partners’ proposal including any adjustments agreed in the contracting phase e.g. timing of deliverables.

Description of work is provided in the attached proposal <proposal title> submitted to the 6GBRICKS Open Call <oc#>.

End of Annex 1
Annex 2 to this Contract: Payment plan and working practices for the above DoW

The payment plan will cover any payments(s), including interim payments based on achievements/deliverables, the final payment and any other financial conditions. This annex also presents the standard 6GBRICKS project requirements for contributions to management, reporting, attending meetings and providing deliverables.

Annexes to this Contract not attached hereto, but available to both Parties, when project is deemed successful.

1) Maximum financial support for the PARTNER: €....

2) Mandatory deliverables to be provided by the PARTNER:
   - D1 –<D1 DUE DATE> – Detailed experiment description and implementation / execution plan (Confidential);
   - D2 – <D1 DUE DATE> – Final report and experiment results (Public).

3) Payment plan:

The EU contribution that each third-party project can receive is calculated based on a lump sum scheme.

The criteria for calculating the exact amount of financial support to be granted to each third-party sub-project is based on the application of the standard rates foreseen in the Horizon Europe during the time estimated for executing the funded projects. The detail on how the exact amount to be granted to each third-party project is estimated is included in Section 3.1 “EU Funds per third party projects”. This amount will be distributed based on the accomplishment of the expected Deliverables established for each Stage in the SubGrant Agreement.

The exact amount of financial support to be granted to each sub-project is up to €120.000 per consortium, split as follows per stage:

<table>
<thead>
<tr>
<th>Stage duration</th>
<th>Deliverable</th>
<th>Fixed lump sum</th>
